Distribution structure of welfare equipments in Japan

- Users can utilize the nursing-care insurance to use welfare equipments such as 'nursing-care beds' by paying 10% of the rental costs
- 'Welfare equipment rental service providers' who lease the equipments to the users can own 'nursing-care beds' as their own assets, or sub-lease them that are leased from 'rental and wholesale business operators' as their business model.
- Paramount Care Service Co., Ltd., is a 'rental and wholesale business operator'.
